Dear Captain Gill:

Our Career Trainees have visited Bolling Air Force Base on a number of occasions and benefit immensely from your program on Soviet military capabilities. The briefings you give them are critical to their development as collectors and analysts of intelligence. I would like to express my appreciation for organizing such a solid program for our new employees.

STAT We have a new group of Career Trainees coming in shortly and we would like them to have the opportunity to visit Bolling Air Force Base. We have tentatively planned a visit for Wednesday, 15 October 1986 from 1230 to 1630 hours. We hope that time and date will fit with your schedule. Please confirm by calling our Career Training Division on [redacted] Thank you again for your continued support of our program.
